Dear John:

STATINTL

STATINTL

Attached is the latest design specification on the equipment we are building for you. Also enclosed is a second copy addressed to [REDACTED]  
[REDACTED]

STATINTL

I am very sorry I missed you on your last trip out here, and I certainly hope that we have had the last of the communication problems.

We have recently completed tests on DIGITAPE, and I am extremely pleased with the results. A small sample is in the enclosed envelope.

STATINTL

I hope we can get together soon. Give my best wishes to Bob.

Sincerely,

[REDACTED]  
Vice President
